## Institutional Vision and Leadership

The governance of the institution aligns closely with its vision and mission, ensuring effective management and representation across all sectors, including teaching and ministerial staff. The governing body meets regularly to address the needs of various segments within the college. The institution's vision and mission focus on fostering knowledge, humane values, and cultural awareness among students to aid in their personal and social development. Additionally, it emphasizes nurturing modern technological and professional skills, empowering students to improve both their socio-economic status and the environment. The institution aims to transform students into skilled, responsible individuals who can contribute meaningfully to nation-building and face global challenges. This comprehensive approach ensures the growth and well-being of both the students and the broader community.
